Hi Back Country Cabins Owners,

In order to facilitate proper snow plowing, all vehicles must be removed from the parking spaces between 9:00 am and 11:00 am on the morning in which 3 inches or more of snow fall has been received.

Please be sure to inform your renters, tenants and guests.

This will be implemented as a house rule and the rule enforcement and fine policy will apply.

Again, anytime it snows 3 inches or more, all vehicles must be removed from the parking spots in order to facilitate snow plowing.

Thank you,

Back Country Cabins
