

We would like to buy a holiday wreath from BEI? I actually called the school last year to buy one. This year I have been waiting to see if it is the manager or I could still order one. This one will be so special because I will have come from BEI. I would like to give one, and I believe it was the intention that we bought it, because that will be on the list. If you need any credit card information just give me a call or I can pay you cash when it comes in. Which ever is more convenient for you all. How about we send out an email to all the other school classes saying that one of the owners (and your age) is willing to buy one. I probably would like to buy one. Just let me know what you think. I will be happy to help you with that. I will be happy to help you with that. I will be happy to help you with that.

Happy Holidays! Thank you for your help, and I hope you are well. Love,  
Cathy
