

## Osprey Reserve

### Front Door Entry locks

In accordance with the Osprey Reserve Governing Documents, individual unit Owners are responsible for the maintenance and replacement of unit door front entry locks. Also, in accordance with the Osprey Reserve Governing Documents, any changes to the exterior of the Units/ Buildings must be submitted to the Osprey Reserve Board of Directors and approved prior to completing the change. This is in efforts of exterior uniformity.

In addition to the current existing originally installed “brass key locks” on the unit front doors at the Osprey Reserve, the following “key pad” locks are also permitted to be installed.
